

To the Members of the California State Assembly:

I am returning Assembly Bill 614 without my signature.

Current law requires elected officials to provide language assistance to voters with limited English proficiency. This bill would require local elected officials to report on their compliance with current law on a standard form to be developed by the Secretary of State. Such a report would be of limited value and would place an unnecessary strain on the state's limited resources.

For this reason and others, I am returning this bill without my signature.

Sincerely,
